About GHRA

The Greater Houston Retailers Cooperative Association (GHRA) was established in 1999 by a group of like-minded individuals who were interested in expanding the reach of their businesses. GHRA has since grown into a cohesive organization with over 1,800 members, with a focus on a group-think mentality to first better serve our member businesses, and second, to extend our reach providing a positive economic impact as a whole throughout the Greater Houston area. Our mission states it best; to provide sustainable value to our independent convenience store members and our supplier partners through collaboration and education using the highest ethical and moral standards while supporting the communities in which we live and work.

GHRA is in very close contact with State, City, and County agencies to address the needs of our member businesses and to assist the government agencies in any way possible. One of our main goals is to merge with the mainstream community around us. An important step to achieving this goal is to establish good relationships with the general public, government officials, and other organizations. We do this by participating in many local charity events, and have recently founded our own charity organization in an effort to give back to the community in which we do business. The Greater Houston Retailers Charitable Foundation (GHRCF) raises money to aid the families of the Houston area Peace Officers and Fire Fighters who have lost their lives in the line of duty.

Although our corporate office is located in Stafford, GHRA consists of entrepreneurs, and businessmen and women from all around the Greater Houston area. Our organization represents convenience stores from College Station, Nacogdoches, Port Arthur and Victoria We are the largest cooperative of our kind in the United States. With the opening of our warehouse and distribution center in 2016, we will become a much larger influence in the convenience store industry and improve our ability to grow even further as we move into the future.

About GHRCF

The Greater Houston Retailers Charitable Foundation (GHRCF) was founded by the Greater Houston Retailers Cooperative Association, Inc. (GHRA). One component of GHRA's mission is to provide back to the community in which they operate; through this purpose, GHRA Members came together to form a charitable foundation. GHRCF commits itself to provide assistance to programs that contribute to the safety of Houston area Peace Officers and Firefighters and is devoted to providing financial and non-financial support to the families of Houston Area Peace Officers and Firefighters who lose their lives in the line of duty. GHRCF is currently funded by donations directly from individual GHRA Members and through its supplier partners' support of its annual golf tournament.

GHRCF Golf Tournament:

The 2017 GHRCF Golf Tournament is our 5th annual event and will be held on Monday, April 24, 2017 at Sweetwater Country Club. It is a day of fun enjoyed by many of our most valued supplier partners all in the name of charity. Last year's tournament hosted 120+ players, but since the Grand Opening of the GHRA Warehouse & Distribution Center earlier this year we are anticipating upwards of 140 players.

Our annual tournament has helped seven hero's families to date, and we hope to be there to support families in the future if the need arises. There are many ways to participate in the GHRCF Golf Tournament. Please see the following list of our current sponsorship packages. We are always open to new ideas, and are available to answer any questions or concerns.

Please contact our Events & Communications Coordinator, Taylor Duffy, at 281-295-5300 for more information.
