

November 13, 2011

Brian Burks
Director of Services
International Management District
11360 Bellaire Blvd, Suite 960
Houston, TX 77072

Attn: Mr. Burks,

Please find enclosed the street light survey report, which details our work done for the month of November. We reported a total of 90 burned out lights to CenterPoint and I attached the confirmation letters to this report.

In addition to the enclosed report, I included a running tally of all the lights that I reported so far. I will continue to update the form with future reports so that you can have a record of the lights reported.

Our invoice for \$315.00 is attached to this letter and report. We appreciate the opportunity and we hope to continue working for the District.

Please feel free to contact me at 832-633-5155 if any questions should arise.

Thank you,

Sonia Chavez
Operations Manager

NOVEMBER 2011 STREET LIGHT REPORT

We completed the street light report on Wednesday, November 8, 2011. Below is a list of all the lights reported to Center Point Energy. A total of 90 lights were out.

Per CenterPoint Energy: Average street light repairs should be completed within approximately 3 days. Extensive damage or underground cable failures could take from 2 - 4 weeks to repair.

Reported Street Light Outage Details:
